NYLON BATTING CAGES

Our handmade batting cages are of the highest quality and custom made in various sizes and weights. The netting is a high tenacity nylon twine, dyed black, bonded and UV stabilized. All of our batting cages and foul ball screens are hung on the square to minimize sag.

All perimeter edges including bottom and center rib line have a 3/8" dia. rope, and are serged with a continuous triple hitch seam, for a very strong border. Top and bottom corners are also reinforced and have 5 foot tails for tying.

#21 (209 lb. Tensile Strength) 1 7/8" sq. .065 in. dia.

Any size made to order

POLYETHYLENE BATTING CAGES

Our stock sized poly batting cages are made from naturally UV resistant material that will not absorb water. Perfect for wet, humid or hot climates. Our poly cages are extruded black that won't fade or discolor from sunlight. Each is hand-sewn with a knot at every mesh. Hung square with 1 7/8" square-mesh netting, with a rope running along the surrounding perimeter of the cage. Each cage has a 7' door way in the corner. Entry flaps are reinforced with yellow twisted polyethylene rope. Impact screens included to absorb the impact of the ball on the net at the batters-end of the tunnel.

#21 (128 lb. Tensile Strength) 1 7/8" sq. .080 in. dia.

LENGTH	WIDTH	HEIGHT	PRICE
35'	14'	12'	310.00

GOLF NET FRAME KITS

1" Corners to build your own 10' x 10' x 10' or 10' x 10' x 20' cage. We sell only the corners because it costs more to ship the 10' uprights than it does to buy locally at a home improvement store.

10' x 10' x 10' 1" Corners with Tees. \$89

10' x 10' x 20' 1" Corners with Tees. \$99

NET SAVER BACKSTOPS

Protect the heavily used area of your batting cage from damage of un-hit balls. These heavy duty backstops are made with nylon netting. Treatment of these nets with our special coating add weather resistance, UV protection, and improve abrasion resistance for many years of continuous use. Nets are bordered with a 3/8" braided rope. Ideal for use behind the batter in batting cages or may be used alone. Custom sizes and pricing available upon request.

TRACK AND FIELD PROTECTOR NETS

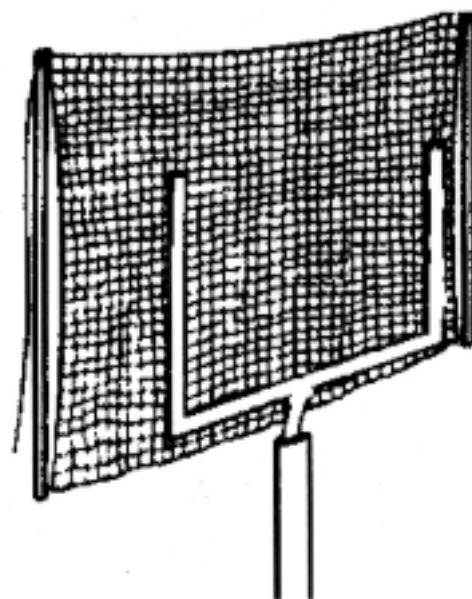

These nets are designed to provide protection around track and field event sites. The nets come in one piece to "wrap around" the event site and metal rings may be placed on the top border at designated intervals to assist in hanging. The nets are made of #36 heavy-duty nylon netting with a 1-7/8 inch mesh, are rope bordered, and are treated with a black weather-protective coating. Frames for hanging are not included. Call for a price quotation if you need a net with dimensions different from those shown below.

Height in Feet	Length in Feet			
	50	55	60	65
12'	\$249	\$272	\$296	\$319
14'	\$280	\$306	\$333	\$359
16'	\$312	\$341	\$370	\$399
20'	\$332	\$409	\$444	\$479

FOOTBALL GOAL POST NETS

Football goal post nets are hung behind the goal post to catch the football when kicked. Nets are made with #21 (209 lb. test) nylon netting with 4" sq. mesh and are bordered with 3/8" rope on all four sides. UV treated. Color: Black.
